

COEXILIA — MASTER HASH MANIFEST

(v1.0)

Status: Non-Authoritative | Read-Only | Index Only

Purpose: Cryptographic reference snapshot of the Coexilia document corpus

Date: 04/06/2026

Interpretive Notice

This manifest is provided solely as a **reference index of document hashes**.

It does not establish authority, governance, enforcement, or canonical control.

Coexilia remains **closed prior work** and is referenced for interpretive context only.

No derivative, extension, certification, or successor framework is permitted.

This document exists only to:

- reduce ambiguity
 - support verification
 - preserve integrity across distributed archives
-

Canonical Source Notice

The **Internet Archive** and **Zenodo records** are the primary canonical references.

This manifest is a **convenience index** and does not supersede those records.

Integrity Statement

If any document differs from the hashes listed above,
it should be treated as **non-canonical or modified**.

This manifest provides no guarantees and performs no enforcement.
It exists solely as a **reference for voluntary verification**.

Provenance

Author: **Aegis Solis (Thomas Vargo)**
Tooling Assistance: **Lexia Coexilis (AI-assisted drafting only)**
Status: Non-Authoritative | Advisory | Read-Only

Closing Note

This index reflects a complete and stable snapshot of the Coexilia corpus.
No further expansion is required for its interpretation.
